

ABSTRACT

Buraidah, Ulfa . 2020. Sociolinguistics Analysis Of Taboo Words On “*Birds Of Prey (And The Fantabulous Emancipation Of One Harley Quinn)*” Movie Proposal, Undergraduate program Universitas Mercu Buana Yogyakarta. Advisor: Agustinus Hary Setyawan, S. Pd, M. A.

Keyword: *sociolinguistics, taboo words, birds of prey*

People in society may show their anger, hatred, annoyance, astonishment, etc. Usually, people in such condition will deliver words, gestures, expression or others usage that are considered as expression of rude, vulgar, or insult. To deliver those kind of expression, people use taboo words. Not only in daily conversation, movie characters also use taboo words to emphasize their feelings. Therefore, this research aims to identify the types and the function of taboo words in *Birds Of Prey (And The Fantabulous Emancipation Of One Harley Quinn)* movie. The data of this research is the utterances of five main characters of the movie. To analyze the data, qualitative descriptive method is utilized.
