Dear Dr. kanetro,

Thank you for submitting your manuscript to International Food Research Journal. Before submitting the manuscript for the reviewing process, we perform an initial check against formal technical criteria. We regret to inform you that your manuscript does not meet the required standards. Please make changes/corrections as detailed in the comments below.

Your manuscript is located in the 'Unsubmitted Manuscripts' section in the 'My Manuscripts' area of your Author Centre. Find the submission that needs updating and click on the 'Continue Submission' button. Please DO NOT delete the manuscript.

Please contact the Editorial Office if you have any queries regarding this process.

Comments:

1. Prepare a title page information as according to the guidelines
2. Corresponding author - indicate who and provide the author's email address ONLY.
3. Please follow the spacing as stated in the guidelines for abstract and references

4. Reference in text - Please edit according to the IFRJ format
5. Suggest you to write the amino acids in full first at the beginning before abbreviating. e.g Alanine (Ala)
6. Introduction, last sentence, last paragraph, please edit it
7. Punctuation - 0.15 g, not 0,15 g
8. 1st, 2nd, 3rd, 4th
9. Table Style and Caption - Please edit according to IFRJ format. You may refer to the previous issue for example
10. Upload everything in a single MS Word containing title page information, manuscript, figure(s) and/or table(s). Only provide ONE main document.
11. Please suggest at least 3 potential reviewers for your manuscript

Sincerely,
