How much for the publication fee ?

reply

**Melanie Ortiz** 4 days ago

Dear Hera,

thank you for contacting us.

Sorry to tell you that SCImago Journal & Country Rank is not a journal. SJR is a portal with scientometric indicators of journals indexed in Elsevier/Scopus.

Unfortunately, we cannot help you with your request, we suggest you to visit the journal's homepage or contact the journal's editorial staff , so they could inform you more deeply. Best Regards, SCImago Team

Pakistan Journal of Nutrition is seen as the best quartile Q3 in 2017. However, scope data base in 2017 in all categories is seen as the best quartile Q4. Which is true? My article needs to be Q3 for the best quartile . What will be the best quartile for Pakistan journal 2018 and 2019?

I'm waiting for news from you.

Sincerely

reply

**Elena Corera** 1 year ago

Dear Halil,

thank you very much for your comment. All the information related to quartiles is in SJR website, please check it.

Related to 2018 and 2019, articles published in 2018 are not over yet. 2018 indicators will not be available until June 2019. We cannot predict what will happen in the future with this

journal. SCImago receives the data from Scopus / Elsevier annually and does not have the authority to include, exclude or modify the data provided by Scopus.

Best Regards,  
SCImago Team

I am having difficulty submitting our manuscript via the online system. When I got to the areas of specialization, primary, secondary as well as a security check, i couldn't conclude to enable me to submit and proceed to the next step. Because i was in need to submit the manuscript, i had to submit via email (support@scialert.com) but i do not know if this email is the correct one for submitting a manuscript through email. I want to submit via the online system since i want the review to be fast. I

earnestly needed help in this regard,  
Warmest regards,
