Pengambilan sampel menggunakan teknik *purposive sampling*. Teknik pengumpulan data penelitian dilakukan melalui kuesioner. Uji prasyarat analisis meliputi uji normalitas, uji linearitas, uji multikolinearitas, dan uji heteroskedastisitas. Teknik analisis data menggunakan teknik analisis regresi linear sederhana dan analisis regresi linier berganda.

Kata Kunci : Minat, Akuntan Publik, Motivasi, Lingkungan Studi

## ABSTRACT

*The Objective of this research is to know the influence of: (1) The motivation of Accounting students of Faculty of Economics of UMBY towards their interest to be a public accountant, (2) The Study Environment of students of Faculty of Economics of UMBY towards their interest to be a public accountant.
