Dear Nuryadi,

Thank you very much for submitting your manuscript to HRPUB.

In order to expedite the publication process, your manuscript entitled "The Effectiveness of Learning Circle Assisted by Geogebra Software Reviewed From Creative Thinking and Visual Thinking Ability of Junior High School Students's" has been sent out to evaluate.

But some problems still need further revision.

We would be grateful to you if you could revise your manuscript according to the following comments:

1. The abstract in your manuscript is short. The abstract should be written as a continuous paragraph with 200-250 words and recapitulative state the background of the research, purpose, methodologies, principal results, major conclusions and its contributions to the field. It should emphasize new or important aspects of the study.

***Please highlight the changes you have made.**

Kindly respond to the evaluation and send your revised manuscript to preview.hrpub@gmail.com as soon as possible. Please track status of your manuscript through the Online Manuscript Tracking System.

We will contact you again once a new decision is made on your manuscript. You will expect a review report from Daniel Anderson (comment.hrpub@gmail.com) in the following 45 days. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submit/login.php>) once the review process is completed.

The author will need to pay for the Article Processing Charges after the manuscript is accepted by the Editorial Board.

For the charging standard, please refer to http://www.hrpub.org/journals/jour_charge.php?id=95

Please acknowledge receipt of this email.

Dear Nuryadi,

Thank you for your interest in publishing your work in HRPUB.

Your manuscript has now been peer reviewed and the comments are accessible in Word format. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submission/login.php>).

We would be grateful if you could address the comments of the reviewers in a revised manuscript and answer all questions raised by reviewers in a cover letter. Any revision should be made on the attached manuscript.

Note:

- The abstract is a little short. Please extend the length to 200-250 words. The abstract shall recapitulative state the background of the research, purpose, methodologies, principal results, major conclusions and its contributions to the field. It should emphasize new or important aspects of the study.
- In addition to necessary revisions, please note that the similarity index of the revised version should be lower than 18% and similarity from a single source should not exceed 5%.
- Based on the theme of your manuscript, we would like to recommend the following published articles for your reference. If it is useful in enriching your manuscript, you can cite them in your manuscript. If not, just ignore it.
