Dear Authors,

Editing of your paper submitted to the Tourism and Rural Development Studies has been finished. Before launching to English language proofreading I need your response regarding the following uncertainties:

- Please clarify Jatmiko Prayetno's status, i.e. what kind of student is he MA/MSc or PhD?
- Table 5 Variabel Konstruk needs translation.
- Table 6 le Sample Mean is simply Sample Mean, isn't it?
- Title 5.1 subchapter. An Indonesian language section can be found in the title. Does it need translation or can be deleted?

Please check the text once again and erase everything that is not English.

I am waiting for your reaction as soon as possible.
Regards,
Nándor Zagyi
