Dear Dr/Professor Asep Rokhyadi Permana Saputra,

I'm writing to extend a formal invitation to submit a manuscript for consideration in the next issue of Journal of Management and Science (<https://www.jmseleyon.com/index.php/jms>). Given your tremendous contributions to your specialized field, particularly your recent work on "The Influence Greening of Organizational Culture, Work Environment, and Work Discipline on Green Employee Performance", we believe that your research would be extremely beneficial to our readers.

As editors of the Journal of Management and Science, one of only a few journals dedicated to building a knowledge base for the management research community, we are writing to encourage you to submit a Full Length/Review article in your specialized field, which will introduce your research to a management audience and stimulate new thinking in the field. We anticipate that this will also provide a chance for early-career academics to serve the research community by creating insightful Full Length/Review papers under the supervision of top experts.

The Journal of Management and Science is dedicated to publishing high-quality, peer-reviewed articles that advance intellectual debate and innovation. We invite you to submit a research article that falls within our target areas. Our editorial team is excited about the prospect of publishing your work in our journal.

Dear Author Asep Rokhyadi Permana Saputra

Re: THE SYNERGISTIC EFFECTS OF PRODUCT QUALITY AND BRAND IMAGE ON CONSUMER SATISFACTION AND PURCHASE DECISIONS.

We're delighted to let you know that your manuscript has been accepted for publication in Journal of Management and Science.

Prior to publication, our production team will check the format of your manuscript to ensure that it conforms to the journal's requirements.

Comments from the technical team

a. Yellow color indicates missing references.
 b. Red color indicates no citations in the manuscript.

They will be in touch shortly to request if any necessary changes are required.

Checking the proofs

Once we've prepared your paper for publication, you will receive a proof. At this stage, for the main text, only errors that have been introduced during the production process, or those that directly compromise the scientific integrity of the paper, may be corrected.
